Screening: "Edited at EAI": Restless Generation, Performance Video, 1993-1999 at Electronic Arts Intermix

Chelsea's Electronic Arts Intermix celebrated its 45th anniversary this year. The nonprofit arts organization is known as a leader in video and media art. As part of the nonprofit's "Edited at EAI" series, EAI will present a collection of performance art videos by women who pioneered the genre in the 1990s. Vanessa Beecroft, Alix Lambert, Kirsten Misher, Alix Pearlstein and Beverly Semmes are among the names of the artists who invoke techniques of the first video-based performance who artists began tinkering with film in the 1970s, and whose videos will be screened at the event.

Electronic Arts Intermix 535 West 22nd Street, 5th Floor New York, N.Y. 10011. July 27, 6:30pm. Free to all, no rsvp required.
