To inaugurate their new space at 213 Bowery, On Stellar Rays presents a series of shows beginning May 26, 6 to 8 p.m., with the opening of "HOTSPOTS," featuring works by Rochelle Feinstein, Tommy Hartung and JJ PEET. Up until July 1. The second exhibition in the series will include works by Julia Bland, Zipora Fried, Ryan Mrozowski and Maria Petschnig. The gallery is expanding from their adjacent space at 1 Rivington to now include the basement and storefront on the Bowery.
